Iowa Brittany Club Summer Meeting...

The Iowa Brittany Club's summer meeting will be on Sunday, July 8th, 2012 at the Iowa Gun Dog Assn. grounds near Osceola, Iowa. The meeting will begin promptly at 10:30 a.m.

A potluck lunch at around noon will follow the meeting with the Club providing the meat and drinks. We're asking everyone to bring a covered dish to share, along with your own table settings and silverware. Following lunch, our very own Bob Burchett, professional trainer and handler, will present a program on training which is sure to be good and very informative! Watch your mailbox as more information will follow as we get closer to the summer meeting date, including directions to the Iowa Gun Dog Assn. grounds for those of you who haven't been there before. We'll also be looking for RSVPs from all members so we can plan appropriately for food.

Please note: This is the official notice to the IBC membership that we will be voting on Officers and one Director at the summer meeting. Again, watch your mailbox as more specific information will follow including the Nominating Committee's report and those on the ballot for each position for the 2013 year.

So, mark your calendars for July 8th and plan to attend! It will be a good time to get a little business done, share a yummy meal and spend some fun time with fellow IBC members, and hear a great presentation by Bob Burchett! Looking forward to seeing you all there!

Member Brags....

Jon St. Clair and his little liver/white gal "Coco" (Coco Leo St. Clair) continue to make great strides this spring toward her NSTRAs championship, competing with Pointers, Setters, GSPs, and GWPs! Coco was 4th in the NSTRAs Midwest Region High Point Dog total from May 2011 to May 2012, and then followed up with a 3rd place in the Midwest Regional Qualifying Round. At her last regular NSTRAs trial of the season at the IGDA grounds in Osceola, Coco took another 1st place over 32 dogs, leaving her with just one more 1st place finish to grab her NSTRAs Champion title. No doubt a title in this gal's near future!

At the Iowa Brittany Club's Spring 2012 Hunt Test at the Steelclay Shooting Sports facility in Eddyville, Iowa, Marcy Beveridge's Wild Mtn's Midnight Rendezvous...aka Josey...was handled by Roger Stowell to earn her Junior Hunt title.

Don't forget to let us know what your Brittany is doing!...Send your member brags to Marcy Beveridge for posting in the IBC Newsletter!!

IOWA BRITTANY CLUB SPRING 2012 HUNT TEST RESULTS
APRIL 21-22, 2012 STEELCLAY SHOOTING SPORTS LLC, EDDYVILLE, IOWA

The Iowa Brittany Club's Spring 2012 AKC Hunt Test was held on April 21st and 22nd at the Steelclay Shooting Sports, LLC facility near Eddyville, Iowa, with the weather cooperating well. We hosted old friends returning from our previous events as well as participants new to our venue. Brittany's, Vizslas, German Shorthairs, German Wirehairs, and Griffons participated with Kendall Brown, Randy Caldwell, Kirk Gunter and Steve Ries judging the performances over the two days of events.

A special thank you to our hosts, Larry and Lisa Dunn, owners of the Steelclay Shooting Sports facility, for their friendship, generous hospitality, and active participation in our events. Their grounds and clubhouse set the perfect stage for our venue, and the viewing stand overlooking the backfield and bird field is always a BIG plus for our participants and guests. A big thank you as well to the Iowa Brittany Club Hunt Test Committee, judges, volunteers, and of course our participants who all make this a fun and successful event. Planning for this fall is already underway!

ABC Announces 2013 Central Futurity Host Clubs...

The American Brittany Club has just announced the host clubs for the next annual Futurity events, and we are proud to have been selected to host the 2013 ABC Central Futurity!

For those of you who may not be familiar with the Futurity program, it is a "breeder's cup", inaugurated by the American Brittany Club and run under its rules, for the purpose of encouraging Brittany breeders and owners to showcase in both show and field the potential of our breed. Within thirty days of whelp, a Brittany breeder (must be an ABC member) can submit a futurity nomination application to the ABC for a litter, entitling every puppy in the litter to have the option of its new owner to show and/or run the puppy in a Futurity event(s). There are three regional Futurities...Eastern, Central, and Western...held in the spring of each year, and typically coordinated with the host clubs' usual spring show and field events. Puppies participate in the spring Futurity following their first birthday...for example, puppies born in 2011 will be eligible to run and/or show in the 2013 Futurities.

This is a terrific opportunity to promote the breed we all love as well as showcase our club and our state to Brittany breeders, owners and supporters from around the country...and your help and creativity will be needed to put on a first class event. Our Futurity Committee will be meeting soon so watch your mailbox for more information!
